LM4E Master Electric *Viola*

LM4E-PW

Electronics:

This is a passive instrument with our unique piezo based pickup embedded in the treble soundpost. The output jack is located on the side of the lower left bout.

Output/sensitivity: 1 meg ohm

*N*ot for the faint hearted! This is a formidable acoustic/electric viola for players who are expected to play outside the square.

Combining the latest in our carbon fibre/wood construction technology with our unique pickup technology gives the LM4E the advantage of a light weight with a responsive, powerful and open sound.

The LM4E is ideal for players who have off-board preamps and want an uncomplicated instrument that plays well and sounds great in any situation – acoustically or electrically.

Features:

1. Electric and Acoustic
2. Unique high output pickup
3. Excellent feedback rejection
4. Easy, low cost maintenance
5. Ultra robust, modern construction
6. Unique carbon fibre/wood construction
7. Unaffected by heat and humidity
8. Stable tuning in all conditions
9. Professional strings
10. Comes with 2 bridges (wood and carbon fibre)
11. Australian designed and manufactured
12. Limited Lifetime Warranty

Technical details:

Overall length: 668 mm
String (Scale) length: 376 mm
Overall depth (incl bridge): 100 mm
Upper bout: 192 mm
Lower bout: 235 mm
Typical weight: 660g

Construction:

Materials: wood neck and carbon fibre/wood body.

The high strength to weight ratio of carbon fibre means the instrument is lighter, louder and more responsive than the all wood equivalent.

Finishes: Epoch Instruments use the latest hi-tech, durable 2-pack finish. The LME viola has a total matching full gloss finish.

Colours:

Traditional.

Pearl: White, Yellow, Calypso Blue, Burnt Orange, Red, Black

Effect: Marble and Chameleon
